Dear fellow Training Camp Mythbuster,

It is once again that time of year to start thinking about summer camp. Training Camp will be held Sunday through Friday, July 26 — July 31. The enclosed flier contains the information for this year's camp. While prices for many other things have increased, we have NOT raised the cost for camp.

Pastor Andrew Bauer has been dedicated to Training Camp for its first 10 years. This year, I will be the camp's director. We thank Pastor Bauer for his time and commitment to make Training Camp such a success. Last year we had 74 campers—the most ever! 22 congregations from Illinois, Indiana, Kentucky, and Wisconsin were represented.

Your pastor recently received a packet of promotional information for camp. Please encourage him to promote Training Camp at your church, school, and Sunday School. Most of our campers, though, come from word-of-mouth. If your kids had a great camp experience, make sure they tell everyone to come.

Don't think it's too early to register for camp. Send in your registration early to hold your spot. I am expecting a full camp again this year. Last year we did have to turn a few children away because the cabins were full.

I am very excited about our theme this year for camp. We will have Bible studies and morning and evening devotions centered on the theme of the popular TV show "Mythbusters." We will "bust" popular myths like "Jesus is not God," "if it makes you happy it can't be that bad," and "a world-wide flood is all wet." Instead of making crafts, this year we will the campers will be doing cool science experiments and scavenger hunts. I'm even going to try to get our very own "Buster" for the camp.

If you have any questions, feel free to call me at 262-637-5182 or e-mail me at pastor@epiphany-wels.org.

Serving in Christ's name,
Pastor Michael Zarlino
